

Dear Potential Sponsor,

Triangle Champions Track Club has provided competitive training to the Durham youth for over ten years. We welcome everyone regardless of skill level. We aim to build a strong and positive self-image in each participating athlete, teaching them to respect themselves and others while preparing them to become champions in life and competition! We offer this at one of the lowest prices in the area. However, this financial cost can still prohibit some families in the area from participating. We created a sponsorship program to lessen this burden on families and allow more athletes to participate. With financial support from businesses like yours, we can provide scholarships to help more athletes participate in the program.

This year we are seeking your contribution, and in return, we offer the following:

_____ **Level 1 \$500 donation** - At this level, your business name will be displayed on our team website for one season.

_____ **Level 2 \$1000 donation** - At this level, your business name will be displayed on our team t-shirt and team website for one season.

_____ **Level 3 \$1500 donation** - At this level, your business name will be displayed on our team t-shirt, team website and a banner at the team sponsored meet for one season. You will also receive a plaque to hang in your business.

_____ **Level 4 \$2000 donation** - At this level, your business name will be displayed on our team t-shirt, team website, a banner at the team sponsored meet for one season and vendor table at the TCTC Challenge for the current season. You will also receive a plaque to hang in your business.
